

# Day 2, Session 5, Coherent Curriculum

- TedEd launched – great talks, partnered with animation company
- Mondrian Wall needs to be able to map interim objectives Y1,3,5 awa Aol etc
- Manage-back, Moodle & Rubicon Atlas known to group, MB has lion's share of the market

Y1	Y3	Y5	IB Interim Objs
Y7	Y8&9	Y10	Kristin
G6&7	G8&9	G10	Norm

# Session 6, Concepts

- Concepts are:
  - Timeless, Universal, Abstract (see Lynne Ericson info)
- “Concepts based Curriculum” recommended reading
- Key Concept + Related Concept = Significant Concept (or Concept Statement) >> Unit Question
- Workshop leader, Andrew, “Rumour has it that the PYP Concepts will be used by MYP.”
  - Form, Function, Change, Connection, Causation, Perspective, Responsibility, Reflection
- Interesting that these are not used in the PHE pilot...
- Where do we get the key concepts from? Currently & from 2014 >> Conjure up , provided in subject guides.

# Session 7, Concept Bases Curriculum

## Pt 2

- Backward Planning in short:
  - What do we want to learn?
  - How do/will we know we learned it?
  - How can we learn it?
- Assessment:
  - Assessment of learning: what we learned
  - Assessment for learning: the next stage in the process
  - Assessment as learning: process
- ‘Clapping’ example/activity to illustrate need for ass criteria clarity & need for feedback – useful

# The Next Chapter: Curtis Beaverford

- IB Education Board is yet to approve all the mooted changes
- AtL across the 3 programmes: Communication, Social, Self-management, Research, Thinking plus two others tbd
- Rationalising of the assessment criteria: x4 for each discipline/subject and either max 4/8 tbd
- Transition doc details suspended IB practices
- 50 hours of instruction minimum
- Interim criteria are mandatory
- Command terms are to be used to define levels

# The Next Chapter: Curtis...

- Final Assessment:
  - Y3/4 Culminating task (if prog ends here, K not eligible)
  - Y5 PP mandatory & moderated, eAssessment optional
    - IB seeking OVAC accreditation
  - Unclear whether there will be 8 eAss or not
- Subject moderation phased out
- Octagon model stays
  - How many Kristin students are not doing Lang B?
  - Check mother tongue numbers – investigate dev of mother tongue use @ Kristin

# The Next Chapter: Curtis...

- Modified criteria for students with special needs - okay
  - Reporting needs to state that the student assessment is based on a modified set of criteria
  - Implications: for comparison, data, a further point of difference...
- Concepts to be prescribed
- Launch date unclear – either Jan or Sept 2014
  - IBDocs not going to be used for our evaluation visit
